

Fork Style, 10 mm<sup>2</sup> 3 poles busbar, 15 mm modules / Gabelstil, 10 mm<sup>2</sup>, dreipolige Sammelschiene, 15 mm Module / Estilo de horquilla, 10 mm<sup>2</sup>, barra colectora de tres polos, 15 mm módulos

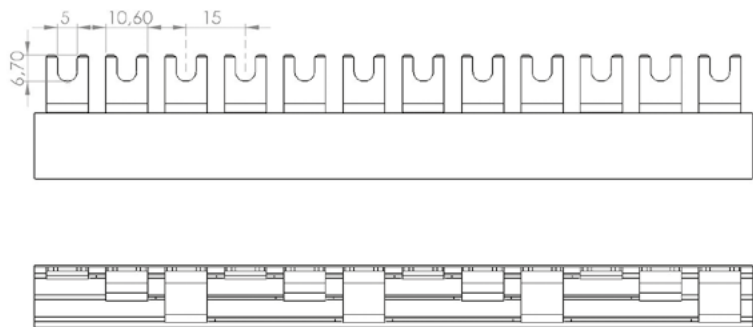

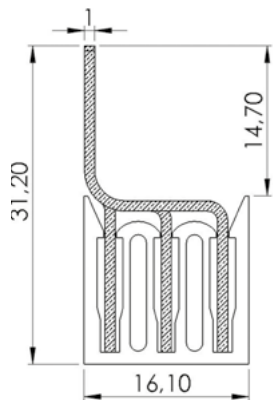

### IZM10/3F

| TECHNICAL DATA / TECHNISCHE DATEN / DATOS TÉCNICOS |   |
|--|---|
| <b>U<sub>e</sub></b>                               | Nominal voltage / Bemessungsspannung / Tensión nominal de conexión <b>240/415 [V]</b>                   |
| <b>U<sub>i</sub></b>                               | Rated insulation voltage / Bemessungsisolationsspannung / Tensión nominal de aislamiento <b>500 [V]</b> |
| <b>I<sub>e</sub></b>                               | Max. current / max. Schienstrom / Capacidad de carga de corriente <b>63 [A]</b>                         |
| <b>U<sub>imp</sub></b>                             | Surge voltage / Bemessungsschossspannung / Tensión nominal de choque tolerada <b>4 [kV]</b>             |
|  | Material of insulation / Werkstoff für Isolierung / Material de aislamiento <b>PVC-U</b>                |
|  | Material of conductor / elektrisches Leitermaterial / Material de conductor <b>Cu-ETP</b>               |
